1st European Paediatric Bioethics Conference

18th November 2020

COVID-19: Ethical Learning for Paediatrics & Child Health

Please join us for the inaugural conference to launch a new international partnership:

- Learn from an international faculty about the ethical issues faced by children's hospitals during COVID
- Consider what COVID-19 vaccination will look like for children
- Contribute to the debate on experimental treatments for COVID in the paediatric setting
- Hear frontline clinical staff and children's hospital leaders reflect on their experiences of ethical dilemmas during an unprecedented global pandemic.

Contribute your views and experience to enrich the debate

Abstract submissions on all paediatric ethics & law themes are welcomed – in particular, those related to COVID-19 - 300 word limit

Abstract submission deadline Sunday 8th November 11:59pm

Registration/abstract submission: https://courses.gosh.org/european_paed_bioethics_conf#init

Conference fees*

- General € / £50 (50 % donated to UNICEF)
- ECHO members hospital staff € / £ 25 donation only
